

Minutes for Nov 8, 2017 PFA Meeting

- Treasurer Report: \$5,099.76 currently in the account. The proofer has not been taken out of that yet.
- We made \$450 at our last Spirit night at Chick-fil-A
- Christine Bronson is checking into some other bids on kitchen equipment.
- Class pizza party for the Butterbraids. Several volunteers are needed: Dari Edwards, Galema Bradbury, Marilyn Tarkalson, and Diana Wettstein (maybe Christine Bradbury).
- Cheri will set up a website for sweatshirt sales. They will be for sale until Dec 1 and will arrive before Winter Break.
- Pizza Pie Café Dec 11-14, which is showcase week.
- Kiwi Loco Nov 8 3pm-close
- Pi Week-Mathathon. Diana is determining if we will be doing shirts or not.
- Discussed the possibility of doing something for National Reading Day (Jan 23).
 - Local Author come and read/talk to the kids (Christine Bronson knows of him)
 - We liked the idea of community involvement. Making it a Career Day and have different people with different careers come and read children's books to the kids about their careers. The visitors would maybe move room to room to read.
 - Would love to get the paper/news involved with a story about it.
 - Improve community relations.
- Newsletter-PFA is doing a Newsletter every other month to share what is going on for fundraisers and activities they are hosting.
- Fall Frolic was a success. It was crowded since we couldn't use the gym, but that will be better next year. Having the concessions and Butterbraid samples was a hit.
