CHILD FIND ANNOUNCEMENT

Xavier Charter Schools, in cooperation with parents and nonpublic school agencies, engages in Child Find services throughout the school year. Child Find activities are conducted (1) to create public awareness of special education programs, (2) to advise the public that students who qualify for services have the right to a free appropriate public education and confidentiality protections, and (3) to alert community residents that a process exists for identifying and serving children with disabilities from the age of 3 through the semester in which they turn 21.

If you know of a child who is 3 through 21 years of age who may have individual needs that result from disabilities or developmental delays, and who is not enrolled in a school program, please contact Dr. Pamela Houston-Powell, Director of Special Education, 208-734-3947, ext. 209, or the school office at 208-734-3947. These children may have difficulty walking, talking, hearing, or learning, or may display behaviors that appear different from other children their age.
