

PFA Meetings 08/23/2023

We need to have one PFA member to attend the Board Meetings. Board meetings are the 3rd Thursday of every month.

Consumable science kits still need to be purchased. Possibly doing a sign-up genius for materials. Consumable kits need to be done by the beginning of October. Two kits per class.

Do we need a co-treasurer? Looking into it to see if we MUST have one. We will ask the Board.

Spirit shirts sales went well. We need parents to help deliver them to classrooms. Delivery the 13th of September after that parents will have to pick them up directly from Elite.

Anna Grace is a good contact for events, Seniors took over NHS.

Galina oversees student government.

Back to school bash. Anna will be in charge. NHS will be serving dinner. WE need to invite food trucks for dessert. PFA will split the costs with NHS for bounce houses. Check on the cost for the DJ who is Sosana Carpender. Set it up outside this year. Cornhole and cupcake or cookie walk and look into other games maybe pick four or five games. Find volunteers for half hour increments. Look into sign-up genius.

For the newer parents to PFA. We still need dates for these. October 21st 27th or 28th possibly.

Camp read a lot asks for donations for gift baskets.

Spirit nights Christina will schedule future spirits nights Artic circle, Panda Express, Chick-Fil-A, Kb's and maybe coffee shops. Parent volunteers needed for those nights to help the restaurant. Marissa is going to reach out to La Fiesta.

Look into teacher's gift bags for birthdays. Look into grab and go bag for teachers for emergencies.

Steve Canty is in-charge of the sunshine committee. Ahnna will reach out to him to get teacher's favorites things.

Friday sales- Possibly do punch cards? Ice cream cups, smelly pencils or items like that. Maybe laffy taffy, air heads, cookies, or cupcakes. Do we need to keep it healthy?

PFA has a huge disconnect from the school and needs to do better at uniting. Groups from the school and PFA. Possibly to go back to old roots and require volunteer hours.

Things need to go through Gary, Hillary, Trish.

Get a list of all our clubs.

Help getting parent volunteers for classrooms.

Look into parent volunteers per grade.

Showcase what the school does for events like showcases, poetry out loud, etc. Educate parents that our kids still have the same opportunities with sports and what not as the public school. Use social media more. Highlight on social media the aspects of our school and what all we do with them and educate the parents. Be more detailed about what is needed help for in order to get volunteers.
