

Safety Committee Meeting

October 18, 2023

Minutes

Attendance: Josh Dickson, Brad Hansen, Steve Canty, Gage Ridenour, Gary Moon, Jon Goss

Meeting time: 3:15PM-3:45PM

Alice safety assembly for upper school: Wednesday, November 8. 7th period.

Alice Drill Dates: Shelter in place drill only to practice barricading in the classroom.
Fall drill- Tuesday, November 14. 9:10AM (2nd period)

Upper School Drill Scenarios: Brad and Steve will deliver.

Slide Locks for Doors: Possible use for portable doors only. Main building probably not at this time. Will research if fire code prohibits having a hole as a safety feature.

Replace and upgrade existing walkie talkies for para-professionals.

Parking lot revision and signage: Proposal to the board for plans to make this revision during the summer of 2024. Brian Loosli to find a cost for concrete barriers, signage, and parking lot resurface/lines. Gary has city planner to check on separate

entrance/exit.

Other Notes:

**Mr. Goss will follow up on getting storyboard signs for the drop off and pick up line.
Get more cones to facilitate the new signs.**

Meet with Liz to discuss problems about the pick up line.
