Meeting time: 1:00PM-2:00PM

January Alice Drill:

Lockdown drill- Tuesday, January 27, 3rd period at 10:30. Liz will make the announcement.

Security Camera Update: Contact Pinnacle to give Megan and Liz access to fast forwarding footage and being able to see certain cameras. Mount camera to light pole. Meeting room camera should not have audio. Josh will meet with Jeremy Bennett to see what can be fixed on our end before contacting Pinnacle. Camera D26 and D27 not showing up.

Concealed Carry Discussion: Confirm with Gary about the training. Get an updated bid from Todd Eccles for the training (5 people). Check on the cost per individual and the requirements for individuals who will carry on campus. What is the identifier for police when they enter in the building to know who the staff are who should have a weapon. Josh spoke to Gary, policy for having trained personnel will be compared to Kimberly school district who just finished implementing training and has teachers carrying. Gary will present this again to the board during the January board meeting.

Upper School Scenarios: Use Will's scenario on Monday, January 19 during 1st hour. Submit an announcement reminder for that day. Steve will create and submit a scenario for February.

Other Notes:

Josh will submit a maintenance request for McGhee's broken door.
