COMMUNITY RELATIONS

Policy: 4100 Public Relations

Xavier Charter School shall strive to maintain effective two-way communication channels with the public. Such channels shall enable the Board of Directors and staff to interpret the schools' needs to the community and provide a means for citizens to express their needs and expectations to the Board and staff.

The Head of Schools shall establish and maintain a communication process within the school system and between the school and the community. Such a public information program shall provide for news releases at appropriate times, arrange for news media coverage of school programs and events, provide for regular direct communications among individual schools and the citizens they serve, and assist staff in improving their skill and understanding in communicating with the public.

Community opinion may be solicited through parent organizations, parent-teacher conferences, open houses and other such events or activities which may bring staff and citizens together.

COMMUNITY RELATIONS

Policy: 4105 Public Participation in a Board Meeting

All regular and special meetings of the Board shall be open to the public, but any persons who disturbs good order may be required to leave. The Board of Directors encourages all stakeholders of Xavier Charter School to express their ideas and concerns. The Board may offer the ability to attend their meeting remotely, including the ability to submit patron input electronically ahead of time at a time and in a manner identified by the Board. Such electronically provided input shall be provided to the Directors. The comments of the community will be given careful consideration. In the evaluation of such comments, first priority will be Xavier Charter School students and their educational program.

NOTICE

DUE TO THEIR SENSITIVE NATURE, COMMENTS AND COMPLAINTS ABOUT PERSONNEL OR INDIVIDUAL STUDENTS WILL ONLY BE HEARD IN EXECUTIVE SESSION. ADDITIONALLY, OTHER TOPICS YOU WISH TO ADDRESS MAY ONLY BE APPROPRIATE FOR EXECUTIVE SESSION. IN SUCH INSTANCES, THE BOARD WILL DETERMINE IF YOUR COMMENTS ARE APPROPRIATE FOR OPEN OR EXECUTIVE SESSION AND WILL NOTIFY YOU ACCORDINGLY.

A PERSON WHO DISRUPTS THE EDUCATIONAL PROCESS OR WHOSE PRESENCE IS DETRIMENTAL TO THE MORALS, HEALTH, SAFETY, ACADEMIC LEARNING OR DISCIPLINE OF THE PUPILS OR WHO LOITERS IN SCHOOLHOUSES OR ON SCHOOL GROUNDS, IS GUILTY OF A MISDEMEANOR.

Any complaint about Xavier Charter School, including instruction, discipline, school personnel, policy, procedure or curriculum, should be referred through proper administrative channels before it is presented to the Board for consideration and action. All complaints should be resolved through proper channels in the following order:

1. Teacher or Staff
2. Academic Dean
3. Appropriate School Dean
4. Head of Schools
5. Board of Directors

Please see Policy 4110 regarding public complaints and suggestions.

At each Regular and Special meeting of the Board of Directors the agenda will provide time for public comment before the Board.

At each regular and special meeting of the Board the agenda may provide time for public comment before the Board. Persons wishing to address and have a discussion with the Board will be required to submit a "Request to Address the Board" form at least 10 days before a regular scheduled meeting. Forms are available from the Board Clerk and will be available at each meeting.

Total time allotted for public comment and the time for each speaker may be limited at the discretion of the Board. All speakers will be allowed to speak at least once before a speaker is allowed to address the Board a second time. Public comment will be taken from the public on matters scheduled on the agenda. Should a large number of the public wish to speak on the same issue or topic, members of the public are encouraged to select a representative(s) to summarize their position. Additionally, the Board Clerk will accept written comments for distribution to the Board. The Board may decline to hear repetitive comments. The Chair may also deny an individual the opportunity to address the Board if the individual has previously addressed the Board on the same subject within the past two months.

Written materials for Board Members must be submitted to the Board Clerk. The written material must include the name, address and telephone number of the person submitting it. A copy of the materials that meet these requirements will be forwarded to Board Members if received by noon the Friday preceding the Board Meeting. Materials should not be sent directly to Board Members. Materials may be presented, emailed, or mailed to the Board Clerk.

If a topic is being considered by a committee established for that purpose, the Chair may refer the public comment to that committee.

Because of the diversity of issues and the confines of the Open Meeting Laws, members of the Board will not respond to public comment nor engage in discussion with individuals or entities presenting public input. Instead, issues may be recorded and referred to the proper staff person for follow-up and/or considered by the Board in addressing the pending agenda items through open discussion or voting. The Chair may interrupt or terminate an individual's statement when it is too lengthy, abusive, obscene, repetitive, irrelevant, or threatening to any individual. The Board of Directors as a whole shall have the final decision in determining the appropriateness of all such rulings.

Nothing in this policy shall prohibit the removal of any person who, in the judgement of the Board Chair, willfully disrupts a meeting to the extent that orderly conduct is seriously compromised. Defamatory or abusive remarks are always out of order, and any person may be removed from the meeting if they are engaging in illegal conduct. The presiding officer may terminate the speaker's privilege of address if, after being called to order, the speaker persists in improper conduct or remarks.

If a special meeting has been held to obtain public comment on a specific issue, the Chair of the Board may not recognize speakers wishing to comment on the same topic at a regular meeting of the Board.

Xavier Charter School

COMMUNITY RELATIONS

Policy: 4110 Public Complaints

The Board is committed to providing an effective means for parents and the community to voice concerns and offer suggestions to improve the operation of Xavier Charter School. The Board also strives to resolve matters raised by members of the school community whenever possible. To this end, the Board has established the following process to address concerns, complaints, and suggestions that do not fall within the scope of:

1. Any School complaint policy;
2. Policy 2530 Learning Materials Review; or
3. Any other complaint or appeal process specifically provided in policy.

Each complaint or suggestion shall be considered on its merits.

Suggestions

The Board believes that a continuing two-way dialogue between the school and the public is necessary. It shall be the policy of the Board to give consideration to suggestions posed to the Board by residents of the School's attendance area, students of the School and their parents/guardians, and School employees and volunteers. Those wishing to make suggestions should submit them in writing to the appropriate school administrator, to the Head of Schools, or to the Board clerk to forward to the Board of Directors as appropriate.

Complaints

Complaints will be processed according to the step-by-step process outlined below. However, if a person designated to hear a complaint is the subject of the complaint, the process will begin at the next highest step and the process shall be modified as needed to meet the objectives of this policy. If a complaint is directly based on official Board action, the complaint shall be directed to the Clerk of the Board. The complaint may be heard by the Board at the sole discretion of the Board.

Level 1: Address Complaint with Employee Involved or at the Level of the Complaint

The complaint should be received and addressed with the employee involved or at the level closest to which the complaint originated. For example, a complaint regarding a classroom issue should be heard first by the teacher. A complaint regarding the school in general should be addressed first by the Head of Schools.

Any employee receiving a complaint should verify whether the complaint has been appropriately referred to them and, if not, assist the complainant by identifying the appropriate employee to receive the complaint.

Once appropriately referred, the employee should work with the complainant to resolve the issue. If the complainant is unable to resolve the matter with the employee, the employee should direct them to this policy.

Level 2: Head of Schools

If the complaint is not resolved at Level 1, the complainant may provide a written complaint to the Head of Schools stating:

1. The nature of the problem and the date the complainant attempted to address the matter as described in Level 1; and
2. The remedy requested.

It must be signed and dated by the complainant. The written complaint must be filed with the Head of Schools within 60 days of the event or incident, or from the date the complainant could reasonably become aware of such occurrence.

The Head of Schools may investigate and attempt to resolve the complaint within 30 school business days. If either party is not satisfied with the decision of the Head of Schools, the Board is the next avenue for appeal. A written appeal must be submitted to the Board within 15 days of receiving the Head of Schools' decision. The Board is the policy-making body of the school, however, and appeals to that level must be based solely on whether or not policy has been followed. Any individual appealing a decision of the Head of Schools to the Board bears the burden of proving a failure to follow Board policy.

Level 3-4: The Board

When the Board receives a written appeal of the decision of the Head of Schools in which the complainant alleges a failure to follow Board policy, the matter [shall/may] be placed on the agenda of the Board for consideration at the earliest time convenient to the Board.

The Board has the sole discretion in determining how to handle the complaint review, including but not limited to the option of solely reviewing the written record and making a determination or seeking to speak with both sides of a complaint during a properly noticed meeting of the Board.

A decision by the Board shall be made and reported in writing to all parties within 30 days of the Board's review, whether by written record or via meeting with the parties. The decision of the Board will be final.

Xavier Charter School

COMMUNITY RELATIONS

Policy: 4120 Uniform Grievance Procedure

It is the Board's desire that administrative procedures for settling complaints and grievances of any and all (staff, students, parents/guardians, and stakeholders, hereinafter "Grievant") be an orderly process within which solutions may be pursued. This policy shall apply to Xavier Charter School staff only if their grievance is in their capacity as a parent/guardian or stakeholder.

It is the intent of the Board that this procedure provide prompt and equitable resolution at the lowest possible administrative level. Additionally, it is the Board's desire that each grievant be assured an opportunity for orderly presentation and review of complaints without fear of reprisal.

Grievance Procedure

This grievance procedure should be followed if a grievant believes that the Board, its employees or agents have violated the grievant's rights guaranteed by the State or federal constitutions, State or federal statutes, or Board policy. Staff grievances relating to their employment position are solely controlled by:

1. Policy 5800 and Procedure 5800P in the case of classified staff;
2. Policy 5250 in the case of certificated staff.

Xavier Charter School will endeavor to respond to and resolve complaints without resorting to this grievance procedure and, if a complaint is filed, to address the complaint promptly and equitably. The right of a person to prompt and equitable resolution of the complaint filed hereunder shall not be impaired by the person's pursuit of other remedies. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies, and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies.

Grievances will be processed according to the step-by-step process outlined below. However, if a person designated to hear a grievance is the subject of the grievance, the grievance process will begin at the next highest step and the process shall be modified as needed to meet the objectives of the Grievance Procedure. If a grievance is directly based on official Board action, the grievance shall be directed to the Clerk of the Board. The grievance may be heard by the Board at the sole discretion of the Board.

Level 1: Informal

A grievant with a complaint is encouraged to first discuss it with the employee (teacher, counselor, building administrator, etc.) involved, with the objective of resolving the matter

promptly and informally. An exception is that complaints of sexual harassment should be discussed with the first line administrator that is not involved in the alleged harassment.

Level 2: Academic Dean

If the complaint is not resolved at Level 1, the grievant may file a written grievance stating:

1. The nature of the grievance, including identification of the state or federal constitutional provision, state or federal statute, and/or Board policy the grievant alleges has been violated and the date the grievant attempted to address the matter informally with the employee in Level 1; and
2. The remedy requested.

It must be signed and dated by the grievant. The Level 2 written grievance must be filed with the Academic Dean or the appropriate school dean within 60 days of the event or incident, or from the date the grievant could reasonably become aware of such occurrence.

If the complaint alleges a violation of Board policy or procedure, the Academic Dean or the appropriate school dean shall investigate and attempt to resolve the complaint within 30 school business days. If either party is not satisfied with the Academic Dean's or the appropriate school dean's decision, the grievance may be advanced to Level 3 by requesting in writing that the Head of Schools and/or designee review the Academic Dean's or the appropriate school dean's decision. This request must be submitted to the Head of Schools and/or designee within 15 days of the Academic Dean's or the appropriate school dean's decision.

If the complaint alleges a violation of Title II, Section 504 of the Rehabilitation Act, or a violation of Title IX other than sexual misconduct, the Academic Dean or the appropriate school dean shall turn the complaint over to the Nondiscrimination Coordinator who shall investigate the complaint. Xavier Charter School has appointed Nondiscrimination Coordinators to assist in the handling of discrimination complaints. The coordinator will complete the investigation and file the report with the Head of Schools and/or designee within 30 school business days after receipt of the written grievance. The coordinator may hire an outside investigator if necessary. If the Head of Schools and/or designee agrees with the recommendation of the coordinator, the recommendation will be implemented. If the Head of Schools and/or designee rejects the recommendation of the coordinator, and/or either party is not satisfied with the recommendations from Level 2, either party may make a written appeal within 15 days of receiving the report of the coordinator to the Board for a hearing.

Level 3: Head of Schools

If the Academic Dean or the appropriate school dean with whom the grievance was filed in Level 2 is also the Head of Schools and/or designee, the grievant may skip Level 3 and submit an appeal to the Board within 15 days as described in the last paragraph of Level 3.

Upon receipt of the request for review, the Head of Schools and/or designee shall schedule a meeting between the parties and the Academic Dean or the appropriate school dean. The parties shall be afforded the opportunity to either dispute or concur with the Academic Dean's or the appropriate school dean's report. The Head of Schools and/or designee shall decide the matter within 10 days of the meeting and shall notify the parties in writing of the decision. If the Head of Schools and/or designee agrees with the recommendation of the Academic Dean or the appropriate school dean, the recommendation will be implemented. If the Head of Schools and/or designee rejects the recommendation of the Academic Dean or the appropriate school dean, the matter may either be referred to an outside investigator for further review or resolved by the Head of Schools and/or designee.

If either party is not satisfied with the decision of the Head of Schools and/or designee, the Board is the next avenue for appeal. A written appeal must be submitted to the Board within 15 days of receiving the Head of Schools' and/or designee's decision. The Board is the policy-making body of the school, however, and appeals to that level must be based solely on whether or not policy has been followed or an assertion that a right guaranteed by the state or federal constitution, or state/federal statute has been violated. Any individual appealing a decision of the Head of Schools and/or designee to the Board bears the burden of proving a failure to follow Board policy.

Level 4: The Board

When the Board receives a written appeal of the decision of the Head of Schools and/or designee in which the grievant alleges a failure to follow Board policy or a violation of a right guaranteed by the state or federal constitution, or state/federal statute, the matter shall be placed on the agenda of the Board for consideration at the earliest time convenient to the Board.

A decision by the Board shall be made and reported in writing to all parties within 30 days of the Board's review, whether by written record or via meeting with the parties. The decision of the Board will be final.

The Board in performing its Level 4 review retains sole discretion to determine whether it will resolve the matter based upon the written materials submitted, or whether it desires to receive any additional information from the parties verbally or in writing. As noted above, appeals must be based solely on whether or not policy has been followed. Any individual appealing a decision of the Head of Schools and/or designee to the Board bears the burden of proving a failure to follow Board policy by a preponderance of the evidence.

Xavier Charter School

COMMUNITY RELATIONS

Policy: 4126 Parent and Community Participation

The Board of Directors of Xavier Charter School believe parents, guardians and others in the community can provide a unique perspective that is vital to the harmonious operation of its school. The parents and others in the community are encouraged and invited to become involved in the district and its programs. Their participation in specific program goal setting, budget building and evaluation of those programs serve a vital function in assisting the schools in fulfilling its mission.

The Board of Directors directs the administration to involve parents in every practical and legal way in the creation, implementation and evaluation of all state and federal programs. Parents and the community are invited to become involved in a “Continuous Improvement Plan” process to advise and assist the Head of Schools and staff as they work to improve all aspects of instruction for all students. This input shall be advisory and the Board directs the Head of Schools to assure all parent committee suggestions are considered in improving the instruction for all children.

The Board recognizes that individual information about staff and students cannot be shared with these committees. However, aggregated and disaggregated information shall be shared to the degree the legal and professional confidences can be maintained.

Further, Xavier Charter School Board of Directors recognizes a child's education is a responsibility shared by the district/school and family during the entire period the child spends in school. To support the district goal to educate all students effectively, the schools and parents must work as knowledgeable partners.

Although parents are diverse in culture, language, and needs, they share the school's commitment to the educational success of their children. Xavier will work in collaboration with parents, to establish programs and practices that enhance parent involvement and reflect the specific needs of students and their families.

To this end, the district supports the development, implementation and regular evaluation of a parent involvement program in each school, which will involve parents at all grade levels in a variety of roles.

The parent involvement programs will be comprehensive and coordinated in nature. They will include, but not be limited to, the following components of successful parent involvement programs.

- Communication between home and school is regular, two-way and meaningful;
- Responsible parenting is promoted and supported;
- Parents play an integral role in assisting student learning;
- Parents are welcome in the school, and their support and assistance are sought;

- Parents are full partners in the decisions that affect children and families; and
- Community resources are made available to strengthen school programs, practices, and students learning.

Xavier Charter School supports professional development opportunities for staff members to enhance understanding of effective parent involvement strategies. The district also recognizes the importance of administrative leadership in setting expectations and creating a climate conducive to parental participation. Research has constantly indicated districts and schools who engage parents in the school program development show significantly improved student achievement.

Procedures for Federal Programs

It is the responsibility of the Federal Program Director with the support of the school staff to implement parent involvement activities required by the Federal Programs (Title I, Title I-C (Migrant), Title III (LEP). These include but are not limited to:

- Conducting parent meetings in which the goals of the federal programs and the rights of the parents are discussed;
- Disseminating information about the federal programs concerning the responsibilities and rights of parents with children eligible for services by those programs;
- Providing a number of meetings during the year to create opportunities for all parents to participate;
- Ensuring that language, economic status or employment is not a barrier to active participation;
- Providing opportunities for parents to evaluate their child's program and participate in meaningful decisions concerning the education of their children; and
- Providing an explanation of curriculum, academic assessment, and proficiency levels that students are expected to meet.

The Head of Schools and Federal Programs Director will inform the Board concerning the status of parent involvement both in each school and the federal programs.

COMMUNITY RELATIONS

Policy: 4200 School-Support Organizations

The Board recognizes that parent, teacher and student organizations are an invaluable resource to Xavier Charter School and supports their formation and vitality. The Board of Directors of Xavier declares that the PFA will not be considered a booster organization. While parent, teacher and student organizations have no administrative authority and cannot determine Xavier Charter School policy, their suggestions and assistance are always welcome. Membership must be open and unrestricted.

Booster clubs and/or special interest organizations may be formed to support and strengthen specific activities conducted within Xavier Charter School. All such groups must receive the approval of the Head of School and the Board in order to be recognized as a booster organization. These organizations must keep on file in the Head of Schools' office a record of officers, bylaws, mailing addresses and other pertinent information as may be required by the Head of Schools. Staff participation, cooperation and support are encouraged in such recognized organizations.

Approving Activities of Booster Organizations

Booster-proposed plans, projects or activities must be evaluated and promoted in light of their stated contribution to the curricular as well as the extracurricular programs of Xavier Charter School. Careful consideration must be given to the total value of all students, rather than to specific elements such as team participants.

Annually, booster organizations must submit to the Head of Schools or designee their tentative goals and objectives along with their fundraising plans for the next school year for review by the Board. Should the goals and objectives or fundraising plans change during the school year, the Head of Schools or designee is to be advised before any final revisions are made.

Equipment purchased by support groups and donated to the schools becomes the property of Xavier Charter School and may be used or disposed of in accordance with Xavier Charter School policy and state law.

Announcements of booster organization events and activities should clearly indicate that it is sponsored by a group and not the school. Groups should warrant that the activities will be adequately supervised.

Financial Records

Booster organizations shall handle their own accounting and bookkeeping procedures and maintain their own separate accounts for income and expenditures. However, each organization shall be required to submit an annual financial report to the Board/Head of Schools/Designee giving a full accounting of their financial dealings for the year including money raised and expended. The organization shall also submit to the Head of Schools backup documentation. Adequate, auditable financial records shall be maintained at all times.

Booster organizations shall use a fiscal reporting period that begins July 1 and ends June 30. 5. Any estimate prepared by Xavier Charter School that details the cost of a public project until such time as disclosed or bids are opened, or upon award of the contract for construction of the public project;
6. Records of any risk retention or self-insurance program prepared in anticipation of litigation, or for analysis of, or settlement of potential or actual money damage claims against Xavier Charter School and/or its employees except as otherwise discoverable under the Idaho or federal rules of civil procedure. These records shall include, but are not limited to, claims evaluations, investigatory records, computerized reports of losses, case reserves, internal documents, and correspondence relating thereto. At the time any claim is concluded, only statistical data and actual amounts paid in settlement from public

funds shall be deemed a public record unless otherwise ordered to be sealed by a court of competent jurisdiction. Provided however, nothing in this subsection is intended to limit the attorney client privilege or attorney work product privilege otherwise available to any public agency or independent public body corporate and politic;

7. Computer programs developed or purchased by or for Xavier Charter School for its own use. As used in this subsection, "computer program" means a series of instructions or statements which permit the functioning of a computer system in a manner designed to provide storage, retrieval, and manipulation of data from the computer system, and any associated documentation and source material that explain how to operate the computer program. Computer program does not include:
 - a. The original data including, but not limited to, numbers, text, voice, graphics, and images;
 - b. Analysis, compilation, and other manipulated forms of the original data produced by use of the program; or
 - c. The mathematical or statistical formulas that would be used if the manipulated forms of the original data were to be produced manually.
8. Personal information from any file maintained for students. Information from student records shall be disclosed only in accordance with the requirements of the Family Educational Rights and Idaho Code, and adopted Xavier Charter School policy;
9. Test questions, scoring keys, or other examination data used to administer academic tests;
10. Records relevant to a controversy to which Xavier Charter School is a party but which records would not be available to another party under the rules of pre-trial discovery for cases pending resolution;
11. Records of buildings, facilities, infrastructures, and systems when the disclosure of such information would jeopardize the safety of persons or the public safety. Such records may include emergency evacuation, escape, or other emergency response plans, vulnerability assessments, operation and security manuals, plans, blueprints, or security codes.

However, all personnel records of a current or former public official reflecting public service or employment history, classification, pay grade and step, longevity, gross salary and salary history, status, workplace, and employing agency are subject to public inspection and/or copying.

If the record requested for inspection and/or copying contains both information exempted from disclosure and non-exempt information, Xavier Charter School shall, to the extent practicable, produce the record with the exempt portion deleted and shall provide a written explanation for the deletion.

Response to Requests

Xavier Charter School may require that a public records request be submitted in writing with the requester's name, mailing address, email address, and telephone number. A request for public records may be conducted by electronic mail to the following email address: public-records@xaviercharter.org. The request shall be made using Board Policy Request Form 4260F and must specifically describe the subject matter and records sought, including a specific date range for when the records sought were created. The request shall be as specific as possible, describing the records sought in enough detail to let the Public Records Coordinator find the records with reasonable effort. Xavier Charter School may provide the requester information to help the requester narrow the scope of the request or to help the requester make the request more specific when the records requested are voluminous or costly.

When an Idaho resident or someone employed by an Idaho resident makes a public records request, the District shall either grant or deny the request to examine or copy public records within three working days of the date of the receipt of the request for public records. If a longer period of time is needed to locate or retrieve the records, the District shall notify the person requesting the records of this and provide the records to such person not later than ten working days following the request.

If a record is requested in electronic format and the record cannot easily be converted to electronic format within the applicable extended number of days Xavier Charter School shall notify the person requesting the records of this fact and provide them with an estimate of the time necessary to complete the conversion. The documents shall then be provided at a time mutually agreeable to the parties giving consideration to any limitations that may exist regarding electronic conversion.

If Xavier Charter School fails to respond within the shorter applicable period of time described above, the request shall be deemed to be denied. If Xavier Charter School denies the request for examination or copying the public records or denies in part and grants in part the request for examination and copying of the public records, the public records coordinator shall notify the person in writing of the denial or partial denial of the request for the public record. The notice of denial or partial denial shall state that the attorney for Xavier Charter School has reviewed the request or shall state that Xavier Charter School has had an opportunity to consult with an attorney regarding the request for examination or copying of a record and has chosen not to do so. The notice of denial or partial denial also shall indicate the statutory authority for the denial and indicate clearly the right to appeal the denial or partial denial and the time periods for doing so.

The Public Records Coordinator is authorized to seek an injunction to prevent the disclosure of records otherwise suitable for disclosure when it is determined that there is reasonable cause to believe that the disclosure would not be in the public interest and would substantially or irreparably damage any person or would substantially or irreparably damage vital governmental functions.

Fee Waiver

Xavier Charter School will adhere to its copying fee schedule unless it is determined by the public records coordinator that an Idaho resident or employee of an Idaho resident shows that their request meets the following test:

1. The requester's examination and/or copying of public records is likely to contribute significantly to the public's understanding of the operations and activities of the government;
2. The requester's examination and/or copying of public records is not primarily in the individual interest of the requester including, but not limited to, the requester's interest in litigation in which the requester is or may become a party; and
3. The requester's examination and/or copying of public records will not occur if fees are charged because the requester has insufficient financial resources to pay such fees.

Upon a request that fees not be charged, and the Public Records Coordinator's consideration of the above factors, the Public Records Coordinator shall notify the requester in writing of their decision within ten working days following the request. If the fee waiver is denied, the requester shall then have seven days to file an appeal of the denial with the Head of Schools. The Head of Schools shall review the denial and either affirm or reverse the denial of the public records coordinator in writing within ten working days of receipt of the appeal. In the event that the Head of Schools is the Public Records Coordinator then the appeal shall be filed within seven days with the Board of Directors. At the Board's next regularly scheduled meeting, the Board shall review the denial of fee waiver and either affirm or reverse it. There shall be no further appeal beyond the Board.

The request shall not be fulfilled or prepared, and the time for response will not begin to run, until such time as the final determination as to fees has been addressed and any fees to be charged have been paid

A requester may not file multiple requests for public records solely to avoid payment of fees. If Xavier Charter School suspects that this is the case then it can aggregate the related requests and charge based upon its copying fee schedule.

Fee Schedule

The copying fee schedule of Xavier Charter School is as follows:

1. Xavier Charter School shall not charge Idaho residents or their employees a fee for the first 100 pages of records or the first two hours of labor in responding to a request;
2. Copies of public records will be at the actual cost for copies and labor beyond the first 100 pages or beyond the first two hours of labor responding to a request by an Idaho resident or their employee;

3. Xavier Charter School will charge for the labor costs associated with locating and copying documents if:
 - a. The request is for more than 100 pages of records;
 - b. The request includes non-public information that must be redacted from the public records; and/or
 - c. The labor associated with locating and copying the records exceeds two hours.
4. The fees for labor associated with responding to a public records request shall be charged at the per hour pay rate of the lowest paid administrative staff employee of Xavier Charter School who is necessary and qualified to process the request;
5. The fees associated with redactions required to be made by an attorney employed by Xavier Charter School shall be charged at the lowest paid hourly rate of the lowest paid attorney employed by Xavier Charter School or if there are no attorneys employed by Xavier Charter School than the rate shall be no more than the usual and customary rate of the attorney retained by Xavier Charter School.
6. Copy of a duplicate computer disc or similar record system the fee shall not exceed:
 - a. Xavier Charter School's cost of copying the information in that form;
 - b. Xavier Charter School's cost of conversion, or the cost of conversion charged by a third party, if the electronic record must be converted to electronic form.

Fees shall be collected in advance. Xavier Charter School shall provide requesters with an itemized statement of fees to show per page costs for copies and the hourly rate of employees and attorneys involved in responding to the request.

COMMUNITY RELATIONS

Policy: 4500 Public Gifts/Donations to Xavier Charter School

The Board of Director's assumes responsibility, within its financial capabilities, for providing at public expense all items of equipment, supplies, and services that may be required in the interest of education in the school units under its jurisdiction. Gifts, donations, grants, or bequests will be accepted and the action recorded, provided the conditions of acceptance do not remove any degree of control of Xavier Charter School from the Board and will not cause inequitable treatment of any student(s) or student group(s).

A gift shall be defined as money, real or personal property and personal services provided without consideration. Gifts from organizations, community groups, and/or individuals that will benefit Xavier Charter School shall be encouraged by Xavier Charter School administration. Individuals or groups contemplating presenting a gift to a school or Xavier Charter School shall be encouraged to discuss, in advance, with the Head of Schools and/or designee, what gifts are appropriate and needed.

Community groups or individuals may donate equipment to Xavier Charter School. Such equipment shall be added to Xavier Charter School's inventory, provided it is operative at the time of donation and meets an educational purpose of Xavier Charter School.

Xavier Charter School reserves the right to accept or decline any proposed gifts. In determining whether a gift will be accepted, consideration shall be given to Xavier Charter School policies, goals, and objective (with particular emphasis on the goal of providing educational opportunities to all students) and adherence to the basic principles outlined in Board-approved regulations.

Propositions giving funds, equipment, or materials to the school with a "matching agreement" or restriction are generally not acceptable. Acceptance of donated equipment or materials may depend upon compliance with the Board's policy of standardizing materials and equipment in Xavier Charter School which could restrict gifts purchased by the parent-teacher organizations to individual schools. The acceptance of a gift for a particular school, however, indicates the Board's approval of the use the benefactor specified.

Any person or organization desiring to give a gift or make a donation, grant, or bequest to the Board should contact the Head of Schools and/or designee who may accept the gift, thank the donors, and inform the Board, except that offers of real property will be accepted only by the Board. Also, where the appropriateness of a gift is in doubt, the Head of Schools and/or designee will refer the matter to the Board for its acceptance or rejection. For example, single gifts of considerable value exhibiting the donor's name or business shall be considered on an individual basis by the Board.

All conditional gifts must be approved by Xavier Charter School's Board of Directors.

Any gift or grant accepted by the Board or the Head of Schools or their designee as its executive officer shall become the property of the Board of Education and will comply with all state and federal laws.

Xavier Charter School

COMMUNITY RELATIONS

Policy: 4530 Crowdfunding

Xavier Charter School recognizes that crowdfunding is a useful tool to assist teachers and other employees in the procurement of funding for specific projects and/or programs. Crowdfunding campaigns have been used with great success to provide revenues for such benefits as classroom supplies, educational programs and activities, and community advancement. However, Xavier Charter School also recognizes that unregulated use of employee crowdfunding campaigns that are administered on behalf of the school or an individual classroom within the school can subject the school and employees to legal liability.

Purpose

The purpose of this policy is to ensure that crowdfunding campaigns administered by employees in their capacity as Xavier Charter School employees or on behalf of the school or to supplement any school programs are effectively regulated and are appropriately used to further the school's objectives and mission.

Definitions

“Crowdfunding campaign” means the practice of raising funds to meet an advertised goal or need by soliciting funds from a large number of people, typically via the Internet.

Absent prior written approval by Xavier Charter School of a crowdfunding project pursuant to this policy, employees are prohibited from providing any information that would lead a reasonable person to conclude that the funds identified on the crowdfunding website are to be used by Xavier Charter School or for any school purpose or program.

Procedures

Employees wishing to utilize crowdfunding for Xavier Charter School purposes or programs are required to obtain written permission to do so by submitting a Crowdfunding Request Form, to the Head of Schools and/or grade level principal or designee. 2. The site must have a policy that requires all funds raised by an individual on behalf of the school to go directly to the school, not the individual who posted or advertised the fundraising request.

Additional Requirements and Regulations

Where a crowdfunding campaign requires the electronic transfer of funds, the Head of Schools and/or grade level principal or designee in consultation with the business manager shall ensure that such transfer is made properly and in accordance with acceptable standards of practice. Where such transfer cannot be properly achieved, the campaign should not be approved.

Xavier Charter School reserves the right to refuse funds that have been raised through an approved crowdfunding campaign if it discovers that the project violated this policy or was in violation of the crowdfunding site's requirements, policies, or regulations.

Xavier Charter School reserves the right to terminate any pre-approved crowdfunding campaign for any reason or withhold approval for any crowdfunding campaign project for any reason.
