The Head of Schools is hereby granted authority to act on behalf of the Board of Directors and Xavier Charter School in all administrative matters with the exception of those matters specifically reserved for the Board in law or rule for which there lawfully cannot be any delegation by the Board. The Head of Schools is also authorized to develop administrative procedures to implement Board policy and to delegate duties and responsibilities. Delegation of power or duty, however, shall not relieve the Head of Schools of responsibility for the action which was delegated.

The Head of Schools supervises the operation and management of Xavier Charter School. The Head of Schools is responsible for curriculum and staff development through formal and informal activities, establishing clear lines of communication regarding the school rules, accomplishments, practices, and policies with parents and teachers. Qualifications and Appointment

The Head of Schools must be of good character and of unquestionable morals and integrity. The Head of Schools shall have the experience and the skills necessary to work effectively with the Board, school employees, students, and the community.

Evaluation

The board has two options in place dependent on the endorsement held by the Head of Schools.

[OPTION 1: (This option is for a Head of Schools WITH a valid superintendent endorsement whose main job function is that of a superintendent.)

The Board will conduct a written formal evaluation, at least annually by the end January, of the performance of the Head of Schools, using standards and objectives developed by the Head of Schools and Board, which are consistent with Xavier Charter School's mission and goal statements. A specific time shall be designated for a formal evaluation session. The evaluation should include a discussion of strengths and weaknesses, in the year immediately preceding the evaluation, as well as performance areas needing improvement.

The Board shall include progress towards the targets for student outcomes found in the Continuous Improvement Plan in the evaluation by using relevant data to measure growth.

A portion of the evaluation must include multiple objective measures of student growth in achievement as defined in Section 33-1001, Idaho Code.

[OPTION 2: (This option is required for a Head of Schools WITHOUT a valid superintendent endorsement.)

The Head of Schools shall receive at least one written evaluation to be completed no later than June 1st for each annual contract year of employment. The Head of Schools evaluation shall use multiple measures that are research based and aligned to the State minimum standards based on the Interstate School Leaders Licensure Consortium (ISLLC) standards and include proof of proficiency in conducting teacher evaluations using the State's adopted model, the *Charlotte Danielson Framework for Teaching Second Edition*.
